### Message from the President

Where has the summer gone? Schools are open and Labor Day will be here by the time you read this. We have had a very successful year! The BBTC was the best ever and the Monday night 3D fun shoots are going great. We only have one shoot left and I urge you to attend. You will have a great time. I will be stepping down as your president this term because of health reasons. I have enjoyed serving in this capacity as well as your vice president in the previous year. I thank all of you for your support and friendship.

Shoot Straight And Be Careful Out There.

Tom Jones

We are in need of volunteers to assist in rebuilding the target butts in the woods. We have plenty of straw and roofing materials all we need is the manpower.

### New Business

A motion was made and approved to run an ad for the BBTC in 2 issues of Traditional Bowhunter Magazine. In reviewing our lease it was noted that we must post the hours that the range is open to the public. A sign will be made to show that it is open from 1 hour after sunrise until 1 hour before sunset. An estimate will be made to determine the cost of putting an addition on the bath house to store the 3D targets.

### Club News

We'd like to welcome new members David Bobbitt and Jeff DiBlasi to our club.

#### THANKS and GOOD LUCK!
