

## News From the Baltimore Bowmen

### Next Scheduled Meeting

Wednesday, August 16th at 7:30 p.m. in the Bowmen Clubhouse. All are welcome to attend.

### Message from the President

As most of you are aware, bowhunter league is now underway. Our attendance is pretty good, considering the hot weather we have had, lately. Please try to join us for an evening of good target practice, fun and fellowship. This is an excellent way to introduce friends or neighbors to our sport. The club has several loaner bows available for those who wish to try archery and lack their own equipment.

*We are also still in need of help removing tree debris, contact Bill Tomlinson if you are interested in assisting us in that regard.*

Best wishes for a safe and enjoyable summer,

Mike Horst

### General Membership Information

#### Important Club Notes:

There has been a CANCELLATION of the October 15th Field Shoot due to the debris remaining in and around the course. We need some help cleaning up if you have the time. Please contact Bill Tomlinson for more details. As usual chainsaws are a plus for expedient cleanup.

We also could use some help with the Monday evening archery league. We are offering Free Admission to any Baltimore Bowman who is willing to help with check-in for two hours. We need a total of two Bowmen to work as check-in attendees each Monday evening.

### Events

#### Summer League

**Start Date:** Monday, July 10, 2006

**End Date:** Monday, September 4, 2006 (Labor Day)

#### Past Event:

Renaissance style Kingdom Archery Champion (KAC) Shoot. The KAC was held on July, 15th and attracted 114 participants from Maryland, Virginia, and New Jersey.
