

News From the Baltimore Bowmen

Next Meeting

Wednesday, February 20, 2008 at 7:30 p.m. in the Bowmen Clubhouse. EVERYONE is invited to come to the meeting and support the club.

Message from the President

Fellow archers here we are again in a new year. I would like to extend my best wishes to you and your families. Please send any photographs you might have of a successful hunt to Jamie Frailey (jfrailey.moon@verizon.net) so he can put them on our web site. When at the club range be especially careful crossing the wooden footbridges, they are slippery when wet and dangerous when frozen. We have ordered some new target butts and hope to have them soon.

Shoot straight and be safe out there.

Tom Jones

New Business

Motions Approved:

Purchase of Straw Bails- Straw bales were unavailable due to the dry summer. Approval has been given for the purchase of at least 7 new butt targets. More may be acquired if these turn out to be durable.

Other News:

Estimates will be received for construction of a permanent pavilion in front of the clubhouse. This will be placed where the steel frame and tarp covered canopy was located last year.

Baltimore Bowmen Traditional Classic Committee:

Jerry Dewese has sent invitations to many vendors and has already received commitments from many.

Inventory will be performed on 3D targets and an order for new ones will be placed.

Note To Members:

If you place objects on the butt targets (paper plates, cups, etc...) please remove them before you leave.

Respectfully, John Bogdan
