

## News From the Baltimore Bowmen

### Next Meeting

Wednesday, July 18th, at 730 p.m. in the Bowmen Clubhouse

### Message from the President

With this newsletter you will see a new feature; a classifieds section. Members may list archery tackle that they no longer use or need. A few guidelines will need to be observed in order to have your free ad placed in the newsletter. It must be archery related...no firearms or muzzleloaders may be sold. Items sold must be in good working order or stated as not working but sold as is. The club will assume no liability for dissatisfied parties on either end. Details on items to be listed must be emailed to Rich Muffoletto, the newsletter editor. Items listed are to be club members' property, please let's not get involved in selling items for non-members.

I will start the new section with a listing of two items below.

Mike
