

News From the Baltimore Bowmen

Next Scheduled Meeting

The next meeting is Wednesday, June 21, 2006 at 7:30 p.m. in the Bowmen clubhouse.

Message from the President

Well, another BBTC was held, and it was a great success! Thank you to all members who participated in making this an event that keeps getting better every year. We, as a club, put our best foot forward to show a good time to nearly 1,000 archers and spectators. Thanks again to all who made it possible.

As summer approaches, the club will focus on the bowhunter league as well as a couple of smaller events. It is important to us as a group to not lose focus on making those events as successful as the BBTC. Though a field or hunter round may not be as big or as profitable as the BBTC, it is equally important to our continued success.

Help will be needed from all club members to prepare and run these events. Members will be asked to welcome new shooters to the events and make them feel at home enough to want to join the club. It may be as simple as asking a solo archer to join your group as you go around the course, or simply saying "hello".

I know I can count on you folks to make this the best year ever!

Best wishes to all for a safe and fun summer,

Mike Horst
