### Message from the President

This year's traditional classic was the best ever! We provided a memorable weekend to approximately 1,000 archers and spectators. Food and t-shirt sales were brisk . . . we sold 150 chicken dinners in about 3 hours. T-shirts were all but sold out, and we sold hundreds of hotdogs, hamburgers and pit beef sandwiches.

Folks, this is THE money maker for the club. This event will enable us to promote archery and bowhunting, as well as our club in numerous ways. We have made attempts to diversify into IBO shoots and field archery; these events paled in comparison with the enthusiasm and fun exhibited at the BBTC. The officers are still open to the idea of a similar type event to include our modern brethren, and would love to see the genesis of that among the club's ranks.

We will be hosting a benefit for Hunt of a Lifetime in early October. This shoot is being held by our club and two other state organizations; PA Longbow Association and MBS. We are actively seeking business sponsors for 30 targets, so please let us know if you are interested in supporting an extremely worthy cause.

The club grounds still need some work. Any member interested in getting out and doing a little sprucing up can contact Bill Tomlinson for a list of things that need attention. Please, folks, try to give a little from your busy schedule to benefit the club.

Of course, as Rich noted, we will resume bowhunter league in early July. This is also an excellent way for the club to put it's best foot forward . . . providing a friendly, safe and casual atmosphere to shoot at some world class 3D targets.
