Message from the President

Well, bow season is in, and I have had a report from one successful club member. Congrats, Bill Sinkiewicz, on a fine buck! Members, please keep us apprised of your bow hunting successes. We will be happy to include your trophy pix on the club website.

Club members are asked to give us a head count for the October meeting. We are having pit beef, and other food, free of charge. We need to know how much food to prepare. Your cooperation is appreciated! This is a very important meeting; new officers are being elected. I encourage you to attend, eat some pit beef, tell a few bow hunting stories and shoot your bow!

Good luck and safe hunting to you all,

Mike
