Message From The President:

Greetings fellow club members,

Another Sunday 3-D shoot was held on 3-22-09 and it was a resounding success with well over 70 paid shooters. The next Sunday shoot will be held on April 19, so spread the word that Baltimore Bowmen (BB) has the best 3-D shoots around. My personal thanks to members who assisted with this shoot to include John Bogdan, Joe Derico, Tom Jones, Jim Mezick, George Pytash, Harry Schrieber, Dan Steely, Bill Tomlinson, and anyone I may have missed. These members consistently step up to help out and the club owes them our thanks.

Many club improvements are in the works, most importantly rebuilding of butts and cleanup of the range. Bales have been purchased and I know I said this in the last newsletter, but again I will be reaching out to members for some help. I am confident many of you will step up with a few hours of your time to make BB ranges something we can all enjoy and be proud of.

While I like highlight the positive things it has become necessary to address the issue of trash left on the ranges. Cans (beer), bottles, and other trash continue to be found on the range. It is very disappointing to think members are throwing their trash in the woods and to think people are drinking alcohol while shooting. If you carry it in with you carry it out with you. The throwing of trash anywhere but in trash cans will not be tolerated.

The club is moving forward in a very positive direction and I look forward to many of you being a part of it. Spring is here so whatever your archery interests are, come out and enjoy.

Yours truly,

Jeff McCormack
