Message From The President:

Greetings fellow club members,

As you know the Baltimore Bowmen Traditional Classic was held the weekend of May 15th thru the 17th and it was again a huge success. I will not attempt to name all those who worked in the days leading up to the event or who worked the event itself, but I thank you all. It is members like you who make the club a success and all members owe you a debt of gratitude. While many who worked were the same reliable members who always step up and help out; we were fortunate to have several "new" members help out. While many members went above and beyond, I feel I need to single out our field captain, Bill Tomlinson and thank him for all of his hard work. Bill "always" steps up and can be counted on to get things done. So if you get the chance tell Bill thanks.

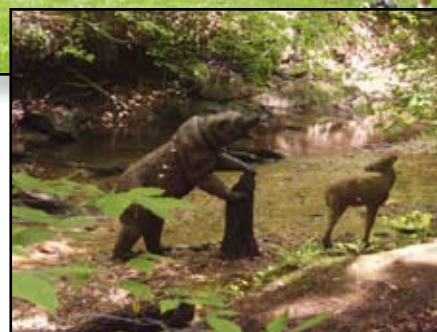

The one down side to the shoot was that we had five 3-D targets stolen. They were all McKenzie targets as follows: mountain goat, wolf, large alert deer, standing bear, and a small bear. Keep your ears open and if you receive any information pertaining to the theft please contact me.

June 1st is almost here and with it comes our Monday night 3-D shoots. I promise they will be top notch so spread the word and come out and enjoy. I look forward to seeing you on Monday evenings.

Shoot straight,
Jeff McCormack

New Business:

There was discussion about replacing the old trailer with a pole building for storing our targets. several members are expected to do some research and obtain estimates.

New Members:

We'd like to welcome Ken Toepfner to our club.
