Message From The President:

Hunting season is well under way and I'm sure many have already tasted success. The title of Gene Wensel's third book was "Come November" and we bowhunters all know what a special time of year that is. Well we're almost there. Here's hoping all of our members have a successful and safe hunting season. Let's get some "hero" pictures for our website.

As the holidays approach, let's not forget our Troops deployed around the world fighting for our freedom. Please keep them in your prayers.

I hope to see many of you at one of our winter 3D shoots and hear your stories. If not then, maybe I'll see you at a spring work party or the Traditional Classic.

Shoot straight,
Jeff McCormack
