### \*\*HORSE EXPERIENCE SESSION

Our friends and neighbors at Graham Equestrian Center, the horse farm that shares the site with us, will be holding a special Horse Experience Session for us between **11 and 1 pm on Saturday May 14th**. This is an informal session where participants will be able to spend time with some of the horses with activities such as petting and grooming. Volunteers and staff will be available to answer any questions you may have. This event is FREE to Traditional Classic participants and their family members.

*Please check in with GEC personnel at the arena near the top of the driveway by the Barn Managers house and enjoy the afternoon spending some time with a horse!*
