Applicant's Statement of Conduct

I have carefully read the Baltimore Bowmen rules as stated on the reverse side and do hereby agree to abide by all rules of the Baltimore Bowmen, Inc., particularly those pertaining to killing birds and game. I agree to be present, if possible, on all scheduled work parties and to do my share of work and other necessary requirements when requested. I realize that failure to abide by these rules and requirements may result in my suspension or expulsion by the Board of Directors.

2. **Firearms, Modern Crossbows and Alcohol are Prohibited** on the park property at all times.
3. It is a strict policy of the club and the Maryland Department of Natural Resources not to kill any birds or game in the park.
4. **SAFETY: Keep on the designated paths.** Do not stray off the course or approach targets from the rear. Stay alert for other park users which may be in the line of danger.
5. Applicant must be present at the meeting which acts on his/her application (Senior member only).
